HELLO.
WE ARE LOVES TORY FILMS.

A PHOTO AND FILM STUDIO
FUELED BY A DEEP PASSION
FOR CONVEYING YOUR
STORY THROUGH STUNNING
IMAGERY.

My name is Tony, the founder of Love Story Films. Over the last ten years, we have committed ourselves to capturing the genuine love, unforgettable moments, and magical connections between two individuals as they celebrate their union with family and friends on their most important day. We prioritize documenting timeless moments as they happen, guiding you when necessary to help realize the vision we develop together, ensuring that your photos and film become the most cherished memories of your life. Yes, we shoot both digital & film for photo & video.

WHAT MAKES US DIFFERENT?

UNLIMITED MEMORIES

We don't believe in limiting your story. If it's a meaningful moment, we'll edit it and include it in your gallery. Every smile, every tear, every spark of joy deserves to be remembered.

TIMELSS NOT TRENDY

We understand what's in style—motion blur, 35mm film, Super 8 film, cinematic documentary aesthetics—but we go beyond trends to create art that feels timeless. No corny, no cringe. Just magic you'll love forever.

WHAT MAKES US DIFFERENT?

CREATIVE COLLABORATION

Some of our couples bring mood boards, others are caught up in the beautiful chaos of wedding planning. Either way, we'll meet you where you are—guiding, creating, and crafting stunning visuals together.

FULL OWNERSHIP

Your day is yours. That's why we give you the option to receive all of your RAW photos and videos. Who knows what creative tools will exist in 10 years? With your files, you'll always have the freedom to revisit, reimagine, and relive.

EXPERIENCE ABOVE ALL

Your experience is everything to us. We create intentional, beautiful scenes effortlessly, so you can stay present and on cloud nine. When you're living in the moment, we capture your love at its most authentic and unforgettable.

An aerial, black and white photograph of a large, multi-story estate with a classical architectural style, featuring numerous windows and a balcony. The estate is surrounded by dense trees. In the foreground, a large lawn is set up for a wedding reception, with several round tables covered in white cloths and chairs arranged around them. A checkered floor is visible near the entrance of the estate.

NEXT STEPS

Let's get to know each other and what you envision for your wedding day, and plan your engagement session. We can talk about our approach, guide you through the day, and answer any questions you may have. We will then we will draft a contract for the services we will be providing you on your special day.

Once signed and booked, we will stay in touch until the wedding. We always encourage an engagement session so we can get to know each other before the wedding day.

We will discuss ideas for the special day, create a mood board for favorite poses, and provide inspiration.
